

SECTION 1 – LIMITED WARRANTY

Roll-Rite, LLC (“Warrantor”) warrants to the original purchaser (“Customer”) of the new (not used) equipment and parts manufactured and sold by Warrantor under Warrantor’s Roll-Rite® and/or Pulltarps® brands (but excluding all video and/or telematics products and/or services, which are, instead, subject to the applicable warranty terms available at safefleet.net/product-and-service-warranties) to such Customer (collectively, the “Products”) that each of such Products will be free from manufacturing defects for the applicable period set forth in Section 2 below, in each case commencing on the Warranty Start Date (as defined below), provided that such Product is used under conditions of normal use, that regular periodic maintenance and service is performed, and that such Product was installed in accordance with the instructions published by the Warrantor or any of its affiliates, and all in accordance with the Product Documentation (as defined below) and subject to the other terms and conditions set forth below, and further provided that all warranties extend only to defective components, and not full systems (this “Limited Warranty”).

“Warranty Start Date” means the date of shipment of the applicable Product, as designated by Warrantor.

This Limited Warranty is not transferable for any reason, including in the event the applicable Product is sold, traded, transferred or otherwise disposed of in any manner by the original purchaser to another party, except with respect to Roll-Rite-branded motors, systems, and parts.

2.2 When Warrantor replaces any part which is a component of a product listed above in this Section 2, the warranty period for such replacement part equals the warranty period remaining on such product at the time of such part replacement (i.e., furnishing the replacement part does not extend the original warranty period or start a new warranty period), but in no event extending beyond 90 days after the delivery date of such part, and is subject to all other terms and conditions of this Limited Warranty.

All claims must include the serial number of the applicable Product, the name of the Customer (which must be the original purchaser), and the date (as to which Warrantor may require written evidence) the alleged defect was discovered. All claims require a Return Goods Authorization ("RGA"). For Roll-Rite Products, Customer may request an RGA number at <http://www.rollrite.com/rga-form>, or by calling 800-297-9905.
