The Safe Fleet Difference

Safe Fleet Mirrors leads the industry with innovative solutions that improve safety and reliability, while improving collateral warranty histories.

Fleets benefit from designs that contain no exposed fasteners or external plugs. In addition, the clamping force extends the split bracket life by reducing normal wear and tear caused from frequent washing.

- Additional Features
- Better durability in bus wash
  - Multiple vision angles
  - Improved styling
  - Reduced vibration
  - Increased clamping force
  - Integrated molded connector
  - Auto return option
  - Meets or exceeds all FMVSS regulations
