

SAFE FLEET SAFETY AS A SERVICE

COMMERCIAL VEHICLE

Fast, Reliable, Convenient
Fleet Safety Services

Why Safe Fleet Safety-As-A-Service

Safe Fleet is the trusted expert in fast, affordable fleet vehicle services. From upfit and installation to preventative maintenance and equipment replacement or repair, our professionally trained technicians stand ready to service the unique needs of your fleet.

Our services are complemented by our portfolio of best-in-class fleet safety products from industry-leading brands – making us a single-source partner, start to finish, for integrated fleet upfit and management rooted in safety and productivity.

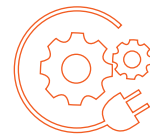

ONE STOP SHOP

A reliable, fleet upfit and management partner rooted in safety and productivity. Reduce downtime, manage vehicle ROI or cost of ownership and achieve desired vehicle life-span – all with one vendor.

EXPERT TECHNICIANS

All fleet services are performed by our trained, professional technicians certified in a number of specialties.

FLEXIBLE SERVICES

Anytime, anywhere! We're available around-the-clock, 24/7 to service the unique needs of your fleet. Your place or ours.

QUICK TURNAROUND TIME

Downtime can cause lost revenue for your fleet – we're driven to reduce the liability of an out-of-service vehicle.

INTEGRATED SAFETY

Our services are complemented by our portfolio of best-in-class fleet safety products from industry-leading brands – making us a single-source, start to finish, for managing your fleet.

SAFETY & COMPLIANCE

Our services and products meet or exceed every industry standard and regulation for safety. You can drive away with the peace-of-mind that everything in and around your fleet vehicle is safe and compliant.
