FOCUS X2 Mounts

Safe Fleet offers a wide range of mounting options to make sure your FOCUS X2 is securely fastened, regardless of your uniform type. Additional options are available.

FOCUS X2 8-Bay Dock

Automatically transfer video from the body camera to storage, receive software/firmware updates, and rapidly charge all eight cameras at once when docked. Videos are automatically uploaded directly to your storage solution with no workstation interface required. The individual port displays make it easy to identify, check-out, and check-in devices.
