

# COMMAND Courier

Simple Digital Evidence Sharing through the Cloud

COMMAND Courier is a method to share/disseminate videos via a private email link from an agency to an end user. (ie. Prosecutor, DA).

Share videos with anyone with an email address and web browser. No license or special player requirements.

Videos shared via Courier are securely stored in Microsoft's CJIS Compliant Private Cloud. Track and audit requests and views, even after distributing Courier links.

## Share Videos in 3 Easy Steps

- **Step 1**  
Originator simply exports video from COMMAND Center
- **Step 2**  
Designee receives secure email link
- **Step 3**  
View video from any browser or mobile device

## Eliminate Hidden Costs

Skip the manual production, preparation, archiving, and distribution of physical DVDs.

## Streamline Distribution

Bypass disk management, delivery/postage, and tracking with an instantaneous Courier to any email address.

## Physically Downsize

Drastically downsize the need of physical space for DVD storage
