

# Safe Fleet® FOCUS® X2™

Extended Run-Time Body Camera

The FOCUS X2 Body Camera represents the latest advancements in power management, comfortably meeting full-shift expectations and on-duty HD recording requirements.

Get high quality video and audio evidence, enhanced run-time, configurable identification indicators, pre-recording up-to two minutes leading up to an event, automatic trigger functionality and secure, encrypted end-to-end wireless uploads with the FOCUS X2.

## Easy to Use

The FOCUS X2 Body Camera has incredible ease-of-use features including automatic dynamic lighting adjustments, an instant status notification display, image stabilization and audio-only recording.

## Mobile App Functionality

Conveniently access features of your body camera with the FOCUS Mobile App (FMA), for increased operational efficiency while in the field. Available on both iOS and Android devices.

## Integrates with existing Safe Fleet Systems

The FOCUS X2 features enhanced integration with existing Safe Fleet solutions, including In-Car Video Systems and a wide range of accessories.

*Driving Safety Forward™*

# Safe Fleet® FOCUS® X2™

Make it easier to capture detailed, high quality evidence throughout an entire shift
