

Your Roadmap to Student Safety with Safe Fleet

Everything you need on your school bus
to protect students inside and out

The Many Ways Safe Fleet Improves Safety On Your Bus

Safety, Performance & Efficiency Technology

FLEET VIDEO SYSTEMS & TRACKING

Never miss a thing that happens on or around your bus. Reliably capture and store detailed, clear and instantly insightful data for accurate event response.

Evidence Management Systems

Manage your digital evidence on a single platform

School Bus Surveillance Systems

Clear views and reliable recording to resolve incidents quickly

Automatic Video Upload

Automatically upload and store video in the cloud

Live Video Streaming

Monitor real-time, onboard activity from anywhere

Live GPS Tracking

Improve safety with real-time bus location information

WIRELESS CONNECTIVITY

Smart Reach All-in-One Router

Gain on-board Wireless Connectivity to Connect your bus

Smart Reach® Hotspot™

Turn your school bus into a mobile classroom

ILLEGAL PASSING SUITE

The most comprehensive approach to keeping kids safe outside the bus. These systems work together to:

- 1) Improve Bus Visibility
- 2) Proactively keep students from danger and
- 3) Reinforce best driver behaviors.

Stop Arm Violation Enforcement

Capture high-definition evidence of illegal passbys for automated ticketing

Predictive Stop Arm®

Proactively protect students from stop arm violations with audible alerts

Illuminated Stop Arm

Increase awareness the bus has stopped and students are loading/unloading

Driver Alert Device

Caution traffic when bus is about to stop or loading students

Danger Zone Around Vehicle Monitoring System

Get a 360 bird's eye view around the bus to eliminate blind spots

STANDARD SAFETY FEATURES ON EVERY SCHOOL BUS

Safe Fleet is likely already on-board your bus with industry-leading safety features that contribute to making the school bus the safest mode of student transportation.

Stop Arms

Warn motorist when students are loading or unloading (optional, high-vis all-weather lighting available)

Crossing Arms

Ensure students stay in the driver's line of sight

Roof Hatches

High-functioning emergency escape and ventilation hatches

Roof Mounted Strobe Lights

Warn motorists to slow down/stop

Make school journeys safer

Keep your students safe and manage your fleet more efficiently

Every child is worth protecting. That's why everything we do helps you make their journey safer. Our school bus camera systems and advanced danger zone technology help keep students safe inside and outside the bus.
