

Your Roadmap to Passenger Safety with Safe Fleet

Everything your transit bus needs to ensure
the safety of passengers and the public

The Many Ways Safe Fleet Improves Safety On Your Bus

Safety, Performance & Efficiency Technology

FLEET VIDEO SYSTEMS & TRACKING

Never miss a thing that happens on or around your bus. Reliably capture and store detailed, clear and instantly insightful data for accurate event response.

Automated Bus Lane Enforcement (ABLE)
Automatically enforce bus lane restrictions

Transit Surveillance Systems
Increase passenger safety and risk mitigation from every angle

Evidence Management System
Manage your digital evidence on a single platform

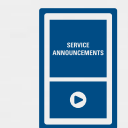

Dual Camera Surveillance System
Get a camera system built for single occupant vehicles

Live Video Streaming
Monitor real-time, onboard activity from anywhere

Driver Assist Monitors
Display camera views to increase driver visibility

Transit Infotainment Public Display Systems
Enhance on-board safety and the passenger experience

PASSENGER & PEDESTRIAN SAFETY

Driver Behavior and Coaching
Let AI help you deter distracted driving

Blind Spot Reduction with Camera Vision Technology
Get expansive visibility of everything outside the bus including beyond the pillar.
Gain clearer, wider views than traditional mirrors – in any weather or light

Bus Interior Lighting & Ducting
Improve safety and convenience

Roof Hatches
High-functioning emergency escape and ventilation hatches

Overhead Parcel & Luggage Racks
Enhanced storage options for a safer journey

Bumpers
Protect Vehicles in Low-Speed Collisions

WIRELESS

Wireless Connectivity
Accelerate your response and service with reliable wireless functionality

Wireless Uploading
Get video evidence without leaving your desk

COLLISION AVOIDANCE

Dual View Assist
Give drivers a better field of view while reversing

Around Vehicle Monitoring System
Reduce blind spots around the vehicle

Vehicle Safety Mirrors
Get a better view around the vehicle

VEHICLE SAFETY LIGHTING

Warning Lights
Warn approaching motorists to slow down and stop

Merge Alert Sign
Caution approaching traffic when a bus is merging

Make each journey safer

Keep your passengers safe and manage your fleet more efficiently

Every passenger is worth protecting. That's why everything we do helps you make their journey safer. Our transit bus camera systems help keep passengers safe inside and outside the bus.
