

# FOCUS®

## Mobile App

Access key FOCUS X2 Body Camera functionality, like playback and event tagging, from your mobile device with the FOCUS Mobile App.

### Secure Video Access

The FOCUS Mobile App is paired with your FOCUS X2 Body Camera and is only accessible with the officer's login. Videos are viewable from the FOCUS Mobile App, but remain securely stored on the FOCUS X2.

### Live View

Enable the live camera view on the FOCUS Mobile App to access the live feed from your body camera.

### Remote Activation Ready

Activate live recording on the FOCUS Mobile App to initiate recording on the FOCUS X2 Body Camera.

### Instant Playback

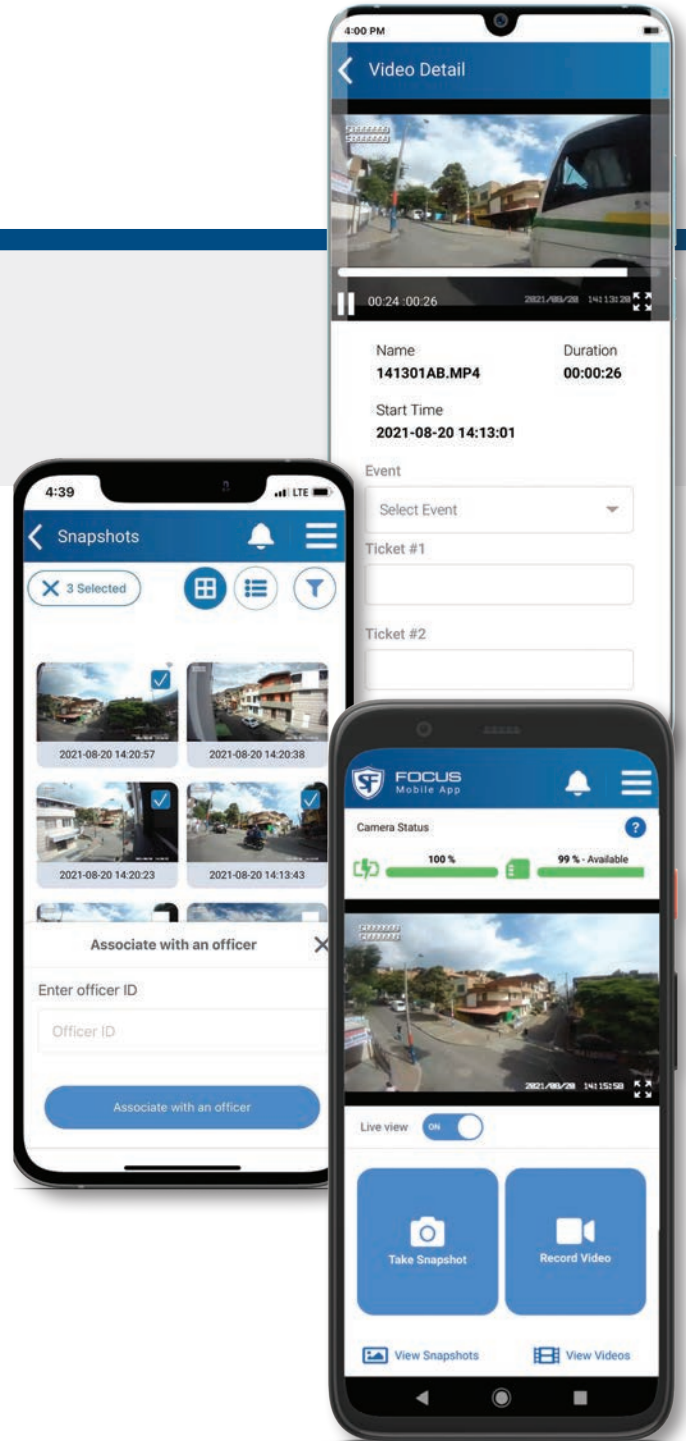

Easily playback videos through the FOCUS Mobile App directly from the storage on your body camera.

### Metadata

Categorize recordings by event type. Enter and edit metadata such as ticket number, case number, gender, ethnicity, and driver's license per your agency's policy.

### Compatibility

FOCUS Mobile App is available for both iOS and Android devices. iOS: Compatible iOS versions are 13 or later. Android: Android 7 or later.

Download on the App Store

Android App on Google Play
