

Open Frame Racks

Improved passenger safety with enhanced ability to secure and view luggage

Open frame racks improve passenger safety with enhanced ability to see luggage at all times. Intelligent design also enables reduction in luggage movement during transit.

- Full Length Hand Rail
- Front Hanger Covers
- Padded End Caps

Adaptable

Each rack is custom designed to each bus. Modular sections are easy to install and integral to the system. Custom profiles, colors and finishes (including anti-graffiti coatings) available.

Voltage

Dual LED reading lights in 12VDC and 24VDC and color temperature options available.

Strength

Durable aluminum construction withstands years of wear and tear.
