

Overhead Parcel Systems

Secure luggage rack systems, uniquely designed for individual bus types

Solid and easy-to-install parcel systems featuring ducting engineered for use with all types of AC units.

DURABLE AND COST-EFFECTIVE PARCEL RACK SYSTEMS

Robust Design without the Weight

Aluminum composite panels and anodized aluminum extrusions for solid and lightweight construction.

More Options

Select the model that best meets your needs – all featuring integral ducting

Enhanced Concealment Abilities

Deluxe models offer deeper parcel compartment and carpeted false floor panels to conceal reading lights, speakers etc.

For Shuttle and School Buses

Systems include front hand rail, OPR pans, hanger brackets, hanger covers, false floor and carpet (if applicable) and all hardware except for the fastening to the bus.
