

# Driver Alert

Alert other drivers the bus is stopping for students to load/unload

Help increase attention of the bus driver's intent to stop for students and reduce risk of injury to students and increase road safety.

- Increase motorist awareness of the bus
- Reduce incidence of injury
- Easy to install and retrofit

## Increased Safety

Flashes "Stop - Do Not Pass" to increase awareness of the bus and reduce risk of student injury.

## Maintenance Free

No moving parts, means no required maintenance.

## Visibility

LEDs provide superior driver notification in all lighting conditions.

## Impact and Scratch Resistant

Rough roads, potholes and day-to-day jarring are no match for the solid-state electronics. Tested to SAE J845/575 standards.

## Operation

Certified operation between -30° and 130°. Water resistant design exceeds SAE J845/575. Warrantied for 5 years.
