Smart Reach®Hotspot™

Enable Wi-Fi connectivity on your school bus

Enable your school bus to provide internet access to students within 300ft. of the bus. Includes a cellular router with external antenna and data plan.

AirLink® MP70

FirstNet Ready

- Help underserved students access educational content
- Maximize commute time with mobile classroom

Provide internet access to up to 100 students on-board or within 300ft. of the bus for distance or mobile learning.

Data Plan Options

Offering multiple carriers on one device with automatic failover for extreme robust connectivity and coverage. This FirstNet ready router also enables out-of-the-box access to FirstNet and Band 14 with the use of a FirstNet SIM card.

Enhanced Security

Enterprise class security and content filtering capable of full CIPA (Children's Internet Protection Act) compliance.

Summer Suspension

Ability to pause service during the summer - ensuring you only have service when you need and not when you don't.

SAFE SF FLEET

Driving Safety Forward™

Enable Wi-Fi Connectivity on your School Bus

Continuous learning through broadband internet access in a secure environment

Ruggedized Cellular /Wi-Fi Router and Antenna:

- 4 Ethernet ports with powerful Wi-Fi and 6-in-one dome external antenna.

Dual Carrier for Best Coverage Option:

- Capability to provide auto-coverage adjustment using smart DUAL-SIM technology. If one carrier LTE signal is weak in one particular area, the router will adjust to use the backup SIM carrier with better coverage.

Multiple Users with Enhanced Range:

- Up to 100 users connected through a single router to a range of up to 300ft.

Captive Portal:

- Simplified and secure Wi-Fi login displayed to newly connected users

Enables Additional Fleet Functionality:

- This high bandwidth solution enables the school bus as a Wi-Fi Hotspot, while also providing the foundation necessary to activate any of the following Safe Fleet solutions:
  - Wireless Video Downloads
  - Live GPS and Fleet Tracking
  - Live Video Streaming
  - Pre-and Post-Trip Inspections
  - Student Management
  - COVID-19 Student Contact Tracing
